## Our Clients Speak About REJUVINAIR®

To Whom it May Concern:

We highly recommend Rejuvinair and Greg for a job well done at our hotels, the Courtyard by Marriott UCF Orlando/East and Towneplace Suites UCF.

Rejuvinair did a great job at both of our properties and had a very organized system. We are very happy with the result of their work and would pass their name on to our other hotels in the future.

Thank you again for all of your hard work.
